3. If the name and machine shown are correct, enter your password and press logout.

4. If needed: correct the exit time or add a remark.  
Check the e-mail box to email the remark to the staff.

The screenshot shows a 'logout' window with the following elements:

- Price:** A dropdown menu showing 'TAU: 45', 'Industry: 440', 'Academic: 440', and 'Cancel : 0'.
- Exit time:** A time and date input field showing '16:40' and '25/02/13'.
- Duration:** A numeric input field showing '0.08'.
- remark:** A text input field.
- Email remark to machine owner?:** A toggle switch currently set to 'NO'.
- Staff Hours:** A numeric input field showing '0'.
- timer:** A numeric input field showing '366'.
- OK:** A large button in the center.

5. Press OK

Different machines may have different logout screens
