Nano Post-doc positions
Info for researchers

Tel Aviv University Center for Nanoscience and Nanotechnology will support several post-doc positions in the field of Nanoscience and Nanotechnology.

A candidate must be hosted by one of the researchers affiliated with the center (see list on: <http://nano.tau.ac.il/index.php/researchers>).

Candidates should forward:

- An updated CV including a list of publications
- A letter of invitation written by a Tel-Aviv University host (advisor)
- Two letters of recommendation
- A two-page description of the proposed research with emphasis on nanoscience/nanotechnology
- A short personal statement for the fellowship committee (should include your future plans, etc.)

All applications should be sent to: infonano@post.tau.ac.il with the subject: "Postdocs 2015".

Scholarships will be equal to 187.5% per year (approximately 125,000 NIS), where 141% (~94,000NIS) will be the Nano center contribution and 46.5% (~31,000NIS) will be matched by the host researchers.

Deadline for application submission: 1.3.15, 1.7.15, 1.12.15

Answers will be received by: 1.5.15, 1.9.15, 1.2.16,
